Dear County Commissioners and Staff,

On behalf of the Tallahassee-Leon County Architectural Review Board (ARB), I would like to recommend the appointment of Jimmy Williams, historic property owner, to the ARB. Jimmy Williams is a lieutenant with the Leon County Sheriff's office. He also holds office in CONA and is the current president of the Los Robles Neighborhood Association. The ARB requests his appointment as soon as possible, as he will be replacing David Rancourt, who has resigned effective Friday October 31, 2003.

If you have any questions or comments, please do not hesitate to contact me at 488-7100.

Sincerely,

Alyssa McManus
